Please advise a member of staff if you have any food allergies, intolerances, coeliac disease, or other dietary requirement so that we can provide you with ingredient information to make a safe choice; an allergen menu is available upon request. Unfortunately, as allergens are present on site and some of our ingredients have 'may contain' warnings, we cannot guarantee menu items will be completely free from a specific allergen. Cheese may be unpasteurised.

Unsurprisingly, the farmers of Ireland have long had a way with words. All of the above are Dexter or Kerry cows, heifers and bulls from the 1880s and '90s. We've honoured these fine beasts and more in our eighteen-seater private dining room, NONE THE WISER (let us know if you'd like to take a look).

We think this cattle-hand poetry should live on. DINNA FORGET.
